**General Comments**

INSPECTOR OT REMARK:

☐

8 hours OT: Work in the office this Saturday on cable band bolt issues, including an 1100 to 1300 meeting with ABF, DJV, and METS. Before the meeting, prepare plots and review info for the meeting. After the meeting, prepare more plots and review info from the meeting. There is work in the field on this Saturday, but I do not inspect any work in the field today.
